

First of all, we would like to thank you for your interest in sponsoring the **22nd International Conference on Radiation Effects in Insulators and Non-Metallic Materials (REI-22)**. Your support is essential to the success of this event, and we are delighted to offer you a unique opportunity for visibility within this important international conference.

This congress follows the tradition established in 1981 in Arco, Italy, as a biennial international forum to discuss the latest results in the field of radiation effects on materials. Organized by the **Consejo Superior de Investigaciones Científicas (CSIC)**, **REI-22** has become one of the most prestigious and long-standing events in its field.
